ROCHESTER-OLMSTED PLANNING

Active Living Rochester

Rochester Area
Bicycle Master Plan
Draft Final Report

October 2011
**Working Strategically**

Vision: A community that promotes a culture of active living in holistic, diverse and comprehensive ways; where walking, biking and transit are the safe preferred options of residents.

Support a more Walkable/Bikeable Community

- Maintain & Expand Active Living Partnership
- Increase Supply of Ped/Bike Infrastructure
- Provide General Training & Education on AL
- Promote Ped/AL Friendly Design
- Launch Education & Promotion Campaign – Safety & Awareness
**SETTING TARGETS ROCHESTER**

- Reduced dependence on automobile (i.e. SOV)
- Support public transportation
- Support non-motorized transportation

*Rochester Downtown Master Plan p. 88*
Realize the Potential

Active Living Rochester

Vision: A community that promotes a culture of active living in holistic, diverse and comprehensive ways; where walking, biking and transit are the safe preferred options of residents.
